Making the gift of a lifetime

Thank you for your interest in leaving a gift in your will to Soi Dog.

v.1. Animal lovers like you have already contributed to saving tens of thousands of dogs and cats' lives. We are proud of what you have achieved so far, but much more work is needed beyond our lifetimes in this world. That is why your gift is so important.

v.2. By leaving a gift in your will, your support will mean more animals can be saved from cruelty and neglect.

This is Frosty, he nearly strangled himself in a desperate attempt to escape the tiny cage he was imprisoned in with six other dogs

Your support meant Frosty was spared a tragic fate, and adopted into a happy forever home. One of his new owners (pictured), passed away, but she left a gift in her will to Soi Dog which is now helping many more dogs like Frosty.

Without your wonderful support, many dogs and cats wouldn't stand a chance. You will continue to fund vital medical treatment, and ensure as many animals as possible have a safe and loving forever home.

Because every animal deserves to be happy.

Your legacy gift to generations of dogs and cats to come!

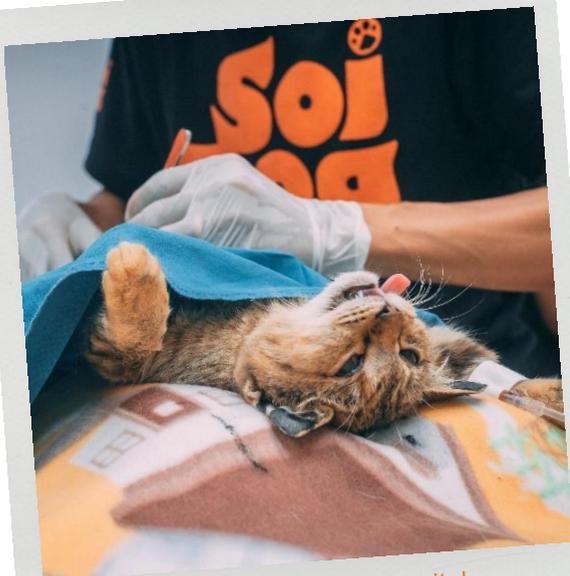

If your vision is to end cruelty to animals, leaving a gift to Soi Dog in your will can help make this a reality.

Your gift can help to ensure:

- 🐾 The **dog meat trade** is eradicated: through intercepting the evil culprits, closing down cruel businesses, and promoting alternatives in its place.
- 🐾 There is **stronger legislation** for animal protection, and those that break it are punished to the full extent of the law.

Will you help us end the brutal dog meat trade?

Feline fine! This kitty receives vital neutering treatment to combat overpopulation, thanks to your support.

- 🐾 **Communities care** about their stray animals: through education, spaying and neutering, veterinary training, and community outreach, together we can empower communities to take the best care of the stray dogs and cats in their area.

You make this possible, and your legacy gift can help achieve this vision.

Because every animal deserves a safe and full life.

Stories from Soi Dog Guardians in our Promise Circle

Some of our legacy gifts at work:

From promise...

"We decided to visit Soi Dog to see the work they do. It was so terribly sad to see so many dogs that had either been mistreated, injured, starving or sick but what better place to arrive in than Soi Dog after their trauma where they are well fed, treated and given so much love. When you look at dogs like Lucy and Shiver who may never be adopted it is so important that Soi Dog continue on. When I am gone my gift will be used to keep Soi Dog going well into the future, ensuring the dogs of Thailand have a refuge they can call home."

Lisa F., Sydney, Australia

"It's a bit hotter here than what I'm used to!"

To reality...

Jean J, from the United States, lived in Bangkok, and always loved animals. She very kindly left us a significant bequest, which is now funding part of the expansion of our Phuket shelter.

When Michelle V, from Australia, came to Soi Dog's sanctuary in Phuket, seeing the cases of dogs and cats who were suffering, now being able to live happy lives, warmed her heart. When Michelle passed away, she generously left us a gift in her will which funded two new dog runs currently under construction.

Because your gift really does make a difference.

"Let me tell you something... I love you!"

How can I give to Soi Dog in my will?

All gifts, large or small, are greatly appreciated, and your gift will contribute towards protecting these vulnerable animals from harm.

There are three main ways you can leave Soi Dog a gift in your will:

- 🐾 **Specific bequest:** a fixed sum of money that can be any amount
- 🐾 **Residuary bequest:** a percentage of whatever is left over from an estate after debts, funeral expenses, administration costs, and all other gifts have been paid
- 🐾 **Other assets bequest:** gifts of particular items, such as real estate or items of jewelry

“Your gift gives me a new chance in life!”

“Your gift can help me walk again”

Writing your will

There are many resources online, tailored to your country and legislation. You can download a copy of our practical instructions and FAQs [here](#).

We advise that you reach out to a financial advisor, or lawyer/solicitor to discuss the best approach to managing your estate.

Because you can save these animals.
