

Veterinarian – Night Shift (Phuket Hospital)

Do you love a challenge?

Do you have the drive to make a difference?

Do you have a thirst to improve your skills?

Soi Dog Foundation is looking for passionate and capable veterinarians to join our Team. We will train you in:

- Shelter Medicine and surgery
- Biosecurity
- Emergency Room and Critical Care

In return

- we ask for 2 years minimum commitment
- we offer a very competitive wage with paid overtime
- You will be part of a highly skilled and friendly Team of veterinarians, making a palpable impact on the street dog population in Phuket.
- You will gain skills and experience that cannot be gained elsewhere in Thailand (or Asia).

About Soi Dog Foundation:

Soi Dog Foundation is the largest animal welfare organisation of its kind in Asia, dedicated to helping stray dogs and cats. Soi Dog Foundation sterilises, vaccinates, administers medical treatment, shelters and promotes the adoption of stray dogs and cats in Thailand. SDF runs education programmes on animal welfare, and is also actively working to end South East Asia's dog meat trade. We are expanding within South East Asia, having recently opened an operation in Vietnam.

Soi Dog's Mission Statement is: **“To improve the welfare of dogs and cats in Asia, resulting in better lives for both the animal and human communities, to create a society without homeless animals, and to ultimately end animal cruelty”**. Its core values are compassion, honesty, integrity and transparency.

JOB DESCRIPTION

Job Title and Summary: Soi Dog Foundation currently operates a large animal shelter in Phuket, with over 1700 dogs and cats on site. The advertised position is based in the 24/7 Hospital at the Phuket Sanctuary, which treats between 300-400 inpatients daily. We also operate mobile spay/neuter clinics, and a Community Outreach Programme. We staff 16 full-time veterinarians who split their time on a rotating basis, between performing surgery (Catch, Vaccinate, Neuter and Return programmes) and administering medical and surgical treatments on hospital patients in our dedicated dog and cat hospitals.

Key Responsibilities: The Hospital Veterinarian (Night Shift) directly reports to the Medical Director, and is responsible for performing all medical diagnostics and treatments on the patients in their care, in accordance with the standards and policies set by Soi Dog Foundation. We take pride in our high quality of animal care. This key staff member performs surgical procedures, maintains medical records, and manages medical cases. As the role is to care for Hospital patients and emergency intakes, the Hospital Veterinarian (Night Shift) must be confident and capable of performing basic routine Emergency Room/Critical Care procedures.

The successful candidate will:

- Be part of a friendly, professional Team of Veterinarians, Nurses and Assistants
- Diagnose and treat sick and injured cats and dogs presenting to the shelter
- Perform emergency surgery and procedures on hospital patients
- Administer treatments (injections, CPR, oral medications, fluid therapy, wound dressings, first aid)
- Maintain up to date and accurate electronic medical records
- Perform routine bloodwork (CBC/chemistry), urinalyses, and skin scrapes
- Perform routine diagnostic imaging (x-ray and ultrasound with Doppler)
- Communicate with owners and street animal feeders
- Perform euthanasia and abortions when warranted
- Manage emergency cases as they present to the clinic
- Attend regular medical rounds
- Be available to help as needed, and perform paid overtime if requested by the Medical Director
- Adhere to Soi Dog Foundation protocols, procedures and rules
- Undergo an initial 6 months day-shift training in our Hospital, to become accustomed to our SOPs and protocols, before transitioning to full-time Night Shift rotations.

Department and Supervisor: The Hospital Veterinarian will be a part of our Animal Welfare Team, and will report to the Medical Director.

Skills and Qualifications:

- Male or Female
- Thai nationality
- Fair English communication skills and work well with a diverse Team
- Must have a Doctor of Veterinary Medicine degree, and valid license to practice veterinary medicine in Thailand.
- Work experience at least 2 years

Location: The role of veterinarian is based at the Soi Dog Foundation shelter, in Mai Khao, Phuket, Thailand.

Type of Employment: This is a full time permanent position

Remuneration and Benefits:

- Working rotation - 4 nights on, 4 nights off , 21.00 -8.00 (1 hour break)
- Additional Night Shift allowance around 8000THB per calendar month (500 THB/night shift)
- 19 annual holidays (including Thai National Holidays 13 days) increasing with each year of service to a maximum of 25 days a year
- Annual Salary Adjustment, and salary adjustment after passing the initial probation period
- Annual Service bonus
- Social Security
- Provident Fund
- Uniform

Soi Dog is an equal opportunities employer and does not discriminate on the basis of age, sex, sexuality, religion or disability .Soi Dog Foundation does give preference to Thai candidates for jobs in Thailand.

HOW TO APPLY

Please send your CV together with a covering letter **in ENGLISH** detailing why you think you would be appropriate for this role, to hr@soidog.org

Short-listed candidates will be notified by email.
