

Veterinary Surgeon (Phuket Mobile)

About Soi Dog Foundation:

Soi Dog Foundation is the largest animal welfare organisation in Asia dedicated to helping stray dogs and cats. Soi Dog Foundation sterilises, vaccinates, administers medical treatment, shelters, promotes adoption of stray dogs and cats in Thailand, and runs education programmes on animal welfare. Soi Dog Foundation is also actively working to end South East Asia's dog meat trade, and is expanding within South East Asia, having recently opened an operation in Vietnam.

Soi Dog's Mission Statement is: **"To improve the welfare of dogs and cats in Asia, resulting in better lives for both the animal and human communities, to create a society without homeless animals, and to ultimately end animal cruelty"**. Its core values are compassion, honesty, integrity and transparency.

JOB DESCRIPTION

Job Title and Summary: This Veterinary Surgeon (Phuket Mobile) will work under the guidance of the Phuket Mobile Clinic Manager and will travel with the Mobile Clinic around Thailand, performing mass sterilisations of free roaming dogs and cats. The vet will be trained in high-volume, high-quality spay/neuter in Bangkok (3 months training) and then will be prepared to be stationed anywhere in Thailand. This vet will also perform ancillary soft-tissue procedures, treat sick and injured dogs and cats, and communicate with the public regarding importance of sterilisation.

Key Responsibilities:

- Perform safe, sterile and humane sterilisations on male and female free-roaming dogs and cats.
- Follow SDF protocols and policies are being followed, working to the highest possible medical standards.
- Meet daily target of minimum 20 dogs sterilised per vet per day (after 3 months' training period).
- Observe, analyse and solve daily problems at mobile clinic daily.
- Communicate with community, dog feeders and owners regarding responsible pet ownership and the importance of sterilisation.
- Perform ancillary soft-tissue procedures, treat sick and injured dogs and cats when there is necessity
- Manage emergencies and post-op complication cases as they present to the clinic.
- Perform euthanasia and terminate pregnancies when warranted.
- As part of the Soi Dog team, be available to help as needed, even with tasks that are outside of the job description.

Department and Supervisor: The position will be a part of Animal Welfare team and report to Phuket Mobile Clinic Manager.

Skills and Qualifications:

- Thai nationality only.
- Must have a Doctor of Veterinary Medicine degree and valid license to practice veterinary medicine in Thailand.
- Work experience not necessary, but must be willing to train in high-volume, high-quality spay/neuter.
- Passionate about animal welfare and willing to learn.
- Fair English communication skills and must work well with a diverse staff.

Location: Training in Bangkok (first 3 months), then could be stationed all over Thailand. Currently Mobile Clinic is stationed in Nakhon Si Thammarat province and will be stationed there for the next 12-18 months.

Type of Employment: Full time position.

Benefits:

Competitive salary

Five day work week, 2 days off (May be required to work weekend or flexible time depending on their duties as directed by their supervisor)

19 days annual leave (including 13 Thai National Holidays) rising 1 day a year, up to 25 days

Annual Salary Adjustment

Annual Service Bonus

Social Security

Provident Fund

Uniform

Ongoing Education and Training

Soi Dog is an equal opportunities employer and does not discriminate on the basis of age, sex, sexuality, religion or disability. Soi Dog Foundation does give preference to Thai candidates for jobs in Thailand.

HOW TO APPLY

Please send your CV, together with a covering letter in English detailing why you think you would be appropriate for this role, to hr@soidog.org to reach us by **October 31,2018.**

Short-listed candidates will be notified by email.
