Veterinarian

(Phuket & Southern Mobile)

About Soi Dog Foundation:

Soi Dog Foundation is the largest animal welfare organisation in Asia dedicated to helping stray dogs and cats. Soi Dog Foundation sterilises, vaccinates, administers medical treatment, shelters, promotes adoption of stray dogs and cats in Thailand, and runs education programmes on animal welfare. Soi Dog Foundation is also actively working to end Asia's dog and cat meat trade.

Soi Dog's Mission Statement is: "**To improve the welfare of dogs and cats in Asia, resulting in better lives for both the animal and human communities, to create a society without homeless animals, and to ultimately end animal cruelty"**.

JOB DESCRIPTION

Job Title and Summary: This Veterinary Surgeon will work based in Phuket and Southern Thailand, performing mass spay/ neuter on free-roaming dogs and cats. The vet will be trained 3 months training in high-volume, high quality spay/ neuter. This vet will also perform ancillary soft-tissue procedures, provide emergency veterinary treatment to sick and injured dogs and cats, and communicate with the public regarding the importance of sterilisation.

Key Responsibilities:

- Perform safe, sterile and humane sterilisations on male and female free-roaming dogs and cats.
- Follow SDF protocols and policies, working to the highest possible medical standards.
- Meet daily target of minimum 20 dog or 30 cats sterilised per vet per day (after 3 months' training period).
- Observe, analyse and solve daily problems at mobile clinic.
- Communicate with community, dog feeders and owners regarding responsible pet ownership and the importance of sterilisation.
- Perform ancillary soft-tissue procedures, treat sick and injured dogs and cats when there is necessity (provide emergency veterinary treatment, before transport to SDF's hospital).
- Manage emergencies and post-op complication cases as they present to the clinic.
- Perform euthanasia and terminate pregnancies when warranted.
- As part of the Soi Dog team, be available to help as needed, even with tasks that are outside of the job description.

Department and Supervisor: The position will be a part of CNVR Phuket Team & will report to the Phuket CNVR Manager.

Skills and Qualifications:

- Must have a Doctor of Veterinary Medicine degree and valid license to practice veterinary medicine in Thailand.
- Passionate about animal welfare and willing to learn.
- Fair English communication skills and must work well with a diverse staff.

Location: Training in Shelter, Phuket (first 2 months) and Southern Mobile Team (1 month), then could be stationed at Phuket and Southern Mobile Clinic. Currently Southern Mobile Clinic is stationed in Ranong province

Type of Employment: Full time position.

Benefits:

- General 40 hours/week - but as required to meet targets. Employees may start and finish work different times depending on their duties.
- 19 annual holidays (including Thai National Holidays 13 days) rising to 25 days with year of service
- Annual Salary Adjustment
- Annual Service bonus
- Social Security
- Provident Fund
- Uniform

HOW TO APPLY
